

Quality • Service • Fast turnaround

# riverjars

**Riverjars** are manufactured in the UK by River Packaging. We are dedicated to providing you with a quality product with over 40 years experience in plastic injection moulding.

River Packaging manufacture and supply both standard and custom-made plastic jars and lids.

**Riverjars** are used in the following industries: automotive, equine, fish food and bait, veterinary, pharmaceutical, leisure, health and beauty, haircare, cosmetics and toiletries.

**Riverjars** offer:

- Comprehensive range of standard jars all available with ribbed lids, plus smooth lids on 150ml, 250ml and 275ml sizes.
- Tamper evident jars
- Custom-made to your design
- Full screen printing or labelling service
- Multi-colour In Mould labelling
- **Fast turnaround on UK + overseas orders**

All jars and lids are made using food grade polymers

In Mould labelling

## Cosmetic Jars

This 300ml flush sided Jar is the first in our range of Cosmetic Jars, with more sizes to follow. Its stylish shape is ideal for creams, lotions and waxes and perfect for the health, beauty and skincare markets.

The Jars are available in white and natural as standard. Other colours are available subject to minimum order quantities.

We produce our Jars and lids in high clarity PP, as an alternative to PET.

Multi-colour screen printing is available on all jars.

### Speak to Riverjars first

Whatever your requirements, our dedicated team are on hand to offer you advice. Service is at the heart of our business.
